Operational Information:

- **Personal Info.** was observed in a You Tube video titled 'Canadian Nazi Takeover of Ottawa' which was posted on the **Personal Info.** In the video, he claims he is “here on the ground in Ottawa with the White Nationalists of Babylon”. He

also states “we’ve got [Personal Info.] here”, who he then interviews. The video shows several males in the background, which appears to be a home (several doors, a bathroom and a large window is visible). No furniture can be seen, however, people are sitting on folded chairs. The location appears to be different then when he was live on You Tube with [Personal] earlier today.

- CBSA advises that on 2021-01-29, [Personal Info.] imported a ‘Blackhawk Empty Ammunition Can’ originating from the United States.
- At around 1945, [Personal] posted a video on a Facebook profile where he is a passenger inside a vehicle. The vehicle is observed to be on Highway 417, taking the Vanier Parkway exit and then parking on Enfield Avenue. [Person] states that he is staying in a friend’s [Personal] apartment. [Person] states “I want to give you guys a good show. I promised I would.” [Person] also states that he will post after he is done and will not be posting live.
- OPS found OSINT information indicating that there are calls from a group (Trucking for Freedom) to upload footage to truckingforfreedom.com in order to create a documentary about the Convoy Freedom movement which began in Canada in January 2022. The group claims that they will be ‘releasing an official documentary on this historic Canadian event’ and are soliciting the help of videographers, photographers, drone pilots, or ‘passionate Canadians’ for their footage.
- CBSA advises that between October 2021 and December 2021, [Personal Info.] (charged with one count of assault for allegedly throwing gravel at the PM during a campaign stop in London, ON on 2021-09-06) made 13 purchases from multiple US vendors offering combat/firearms accessories. Imports seem to only be accessories, such as mag pouches and ballistic vests/plate carrier.
- Former POTUS Trump spoke at a rally in Conroe, TX and mentioned the Canadian truckers. A Tweet posted at 2101hrs states “ President Trump sends a message to the Canadian truckers: ‘We are with them all the way!’” A video is linked to the Tweet. In the video, Trump says: “The Canadian truckers, you’ve been reading about. Who are resisting, bravely, these lawless mandates are doing more to defend American freedom than our own leaders by far. And want those great Canadian truckers to know that we are with them all the way. They are.. they’ve really shown something.”. The video has been viewed 27.4k times.

Protective Clients and Protective Sites:

- VIPPD member attended Stornaway to meet with [Person] family. During meeting the member reiterated that the best way for immediate assistance is to call 911 and the RCMP would be advised accordingly, and quite likely the first ones to respond (PRU). [Person] spouse understand that placing a marked PC in front would attract attention and [Personal Info.]

advised that the RCMP's presence in the area had increased significantly, thus, it might be a contributing factor to the increased traffic. She indicated that her husband had met with people from the convoy, however, felt that he would not be doing that again. This in person meeting left the family feeling reassured.
